The Kandayan on these lands (except Sur. No. 20) which were not mortgaged to Government for the above loan, have been paid by persons interested,

& Survey/No. 20 of Tumbegere appeared to have been wrongly included in the security bond, as it had been already mortgaged to one Murgendrappa.

The Dy Com did not attach the lands sold by the late Mr Narayandas as above.

~~& was to a loss to see why he should.~~

The sales of S. No. 2 & 22 of Tumbigere,

& no: 35 of Anekonda above referred to, were ordered & con-ducted, subject to the rights of the mortgagees. The same was done in the case of a house mortgaged to one Shanker Rao & situated at Davangeré. The Dy Com^r declared that the following properties were liable to be sold absolutely as there were no encumbrances on them; they include, among other lands, all those mortgaged to Govt for the loan sheet no: 20 of Tumbegere above referred to.

Upon the lands of Anekonda & Dodabathe villages Rs 2400/ were stated to have been expended towards their improvement in 1896. The

the biddings for the other lands being very low, they were bought in by Govt for Rs 1298-8-0 at rates varying from 4s to 10 Rs per acre.

δ The Dy Comr, (Mr M. S. Narayan Rao) in his No: 9540/ 11.5.01 reported that the lands bought in by Govt for Rs 1298 would in course of time fetch Rs 1350, & that Govt would sustain by the whole transaction a loss of Rs 3948-10-4 & solicited the Sanction of Govt to write off the accounts the said balance due by the deceased. On 30.7.01, the Dy Comr, (Mr M. S. Narain Rao) reported that a Sum of Rs 8-14-0 which remained in deposit in favour of the deceased in the Davangere Taluk Treasury had since been credited

9. He further submitted that out of the deceased's lands bought in by Govt (1) two pieces were applied for + purchased by the deceased at auction for Rs 100 + Rs 10/- respectively, their valuation set by his predecessor being 315-8-0 + 89-0-0 respectively;)

(2) that no. 55 of Doddabatlé village (with A. 32-9 dry. assessment 39-14-4 G.) had been offered to be purchased for Rs 116 by one Hanumayya (while its valuation was Rs. 317-4-0

(3) that applications had been received for nos 82, 83, 295 + 296 of Averpre (prices offered not given in the papers); but they have not yet been sold - these are valued at Rs 10 per acre by his predecessor. He solicits the sanction of Govt for the confirmation of the above sales, as the Amildar has reported that higher bids were not likely to be received. (The papers do not show why the value of the lands offered as accepted security which were estimated at Rs 7146 in the Dy Comr's (Mr B. Thesiger's) report of 95 10-8-92, should now be sold for so small a price, in view of Rs 599 & that - sufficient security / deposit - why no was to be taken as per Govt orders in no: 2067 5-6 of 29th May 1894 of this office.)

and not in February 1899. But as in the above proceedings the time for payment of instalment has been extended by two years, the payment of instalment commences from 1898-99, the first instalment falling due in February 1899. The period of two years has therefore, it is presumed, been counted from 1896-97.

3. The appliant when he requested Government for an extension of time, seems to have been under the impression that interest would not be demanded from him till the payment of the 1st instalment. But as per Rules Rs 400 being the interest on the loan amount of Rs 4000 for the period extending from February 1896 to February 1898 at 5 per cent will have to be recovered from him now. I am sure he is unable to pay the interest

interest now, Otherwise he would not have applied for extension of time for payment of the instalments due. Considering the above difficulty I did not recommend the extension of time for payment of instalments but I suggested the advisability of one instalment being recovered this year with interest on it for the period of default. The amount that ought to have been recovered according to my suggestion would have been Rs. 321-- & and Rs. 15 interest.

4. I beg to be informed whether interest of Rs 400 above mentioned is meant to be remitted under the above proceedings. Otherwise the applicant will have practically received no concession whatever

5. I therefore request that the interest of Rs 400 may be kindly ordered to be

Poor Ramchandra Rao seems to be in trouble to Revenue Department. The legal objection taken by him is untenable. If he pays up the Kist which fell due on 31st July 99, & the assessment of Kandayam on or before the 31st of October next his default may perhaps be condoned & steps stayed. Give necessary orders.

Honored Sir

I the undersigned, Hosur Ranjuda Rao Land holder Davangere humbly beg to bring the following few lines for favourable consideration and orders.

I am a ryot paying a large amount of kandayem to Government. For the past few years there was not the usual yeald in crops owing to insufficiency of rain and consequent drying of tanks and katas. The whole of last year I was very sick and unable to attend to my usual business. So kandayem for last year and Khist payable by me in February 1899 towards the Cone fell in arrears.

Instead of adapting measures for recovering only this amount, the district authorities issued processes for the recovery of the whole amount of loan and kandayem and ordered the auctioning of lands which have now been forfeited to Government.

The above procedure is unauthorised for according to the agreements of the bond

executed by me, I am bound to pay Rs 320
a year and thus liquidate the debt by twenty
such instalments, Government have kindly (Sl. no 29)
granted an extention of two years for the
commencement of repayment of loan
Vide endorsement no 1986 dated 24th March 1898.

I therefore request the issue of early (Sl. no 30)
needful orders for stoppage of the above
unauthorised procedure.

In this connection, I beg to bring
to the notice of Government my present
inability to pay this large amount, the bad
times due to fear of plague on the one side
and want of rain on the other, therefore
my humble request that the amount
due from me upto 1901 be settled, and
favourable orders passed directing the
recovery of this amount from 1901 when
I expect better times and hope to be able
to make regular payments by annual
instalments of Rs. 100/each in addition
to the yearly khists.

For which act of kindness,
I am as in duty bound ever pray.

I beg to remain

Sir

I have the honor
to state that the late
Mr H. S. Nanjunda Rao
of Davangere was granted,
under the authority of

of Government Proceedings no
25
2067 5-6 dated 29th May 1894,
2204
a loan of Rs 4000/ for the
improvement of the marginally
noted lands held by him in
the villages of Tumbigere, Ane-
kunda and Dodhattin of
the Dharangere Taluk on the
security of the said lands
and a loan order was
issued to him for the
amount making it repayable
in 20 years. the annual
instalment being fixed
at Rs 3-2-1-4-8.

2. The 1st instalment
of repayment had to be
made in February 1897
but owing to the unfavor-
able season and Consequent

+ Village. Survey no
1. Tumbigere. 13, 15, 16, 19 + 20
2 Anekunda 80, 87 + 93
(3) Dodhattin 54. 55 + 56

Consequent failure of crops &c, the loan holder was not able to commence the repayment from that year and prayed for an extension of time. The Government were pleased, in their Proceedings No 27 8766-7 R 2866 dated 17th March 1898, to postpone the repayment of the loan by two years; the payment of 1st instalment thus fell due in February 1899.

3. In consequence of the extension of time thus granted, the loan holder had to pay under the rules an interest of Rs 400/ on the loan amount from February 1896 to February 1898. This he

he was unable to pay in
asmuch as it was more
than half the amount
of two instalments then
due from him in case
regular payments were
made as originally
ordered and he pleaded
that when he applied for
the extension of time, he
thought that interest would
not be demanded from
him on the loan till
repayment commenced and
that it would be no
concession to him
whatever if he was
required to pay such
interest. But the Govern-
ment declined to remit
the

the said interest and ordered
in Proceedings No (34) 11-1180-1 / 1783-97
dated 26th May 1898 that
if the Landholder preferred
he might at once pay the
overdue instalments with
interest thereon

4. Mr Nanjund a Rao
failed to avail himself of
the option given him either
by paying the interest on the
full amount of the loan up to
February 1898 or by paying the
overdue instalments with interest
then outstanding against him.
He also allowed the Kandayam
of the lands mortgaged to
Government as security for
the loan and also of other
lands held by him to fall
into arrears from 1897-98 in
some cases and from 1898-99
in other cases as particularised

5. Measures were adopted for the realisation of this large amount of arrears of kandayam and the full amount of the loan with interest on it by distraint and sale of the lands above referred to. The sales were conducted by Mr Srinivasa Rao, Assistant Commissioner in August last and the proceedings were submitted to me for the confirmation of sales.

6. The amount realised by the sale of the above lands was as follows: —

For Tumbigere lands with the exception of land No 20	}	Rs 155-8-4
For Anegere lands —		31-8-3
For Doddahalli lands —		91-4-4
For Anekonda lands —		375-4-4
		653-4-3

The amount realised from the lands of the Tumbigere village

village being fair the sale of
these lands was confirmed. But
the bids received for the lands of
the other three villages which in
my opinion were very valuable
being close to Davangere were utterly
inadequate. This was more -
especially the case in regard to
Anekonda lands two of which
are wet lands. In the case of
Doddathi and Anegere lands
the realisation did not come up
to even Rs 10/ per acre while
much more was being paid
for similar lands in private
transactions I suspected by
the low prices offered for these
lands that there was either
a combination among the
intending purchasers or a fear
that the buyers would be subjected
to litigation in respect to other
debts due by Mr Nanjundarao.

I

I therefore elected to exercise the power conferred by rule 41, para 9 under section 173 of the Land Revenue Code and ordered the resale of these lands. The Assistant Commissioner was requested to bid for Government for these lands up to a limit of 40 Rs an acre for rice lands & Rs 20/ an acre for dry crop land of Anekonda and Rs 10/ per acre of the Doddatlu and Anegere lands in the event of proper bids not being otherwise procured for them.

7. In the sale thus — conducted for the second time of the lands in question, there were no bidders for any of them except for no 87 of the Anekonda village which was sold for Rs 410/ and they were

were therefore resumed to Govern-
ment for a total value of Rs 1298-8-
Calculated at the rates fixed above
after deducting Rs 2/ collected by
the sale of crops on survey no 275
of Anegere.

8. It has to be observed
that the survey no 20 of
Tumbigere village which had
been previously mortgaged
to one Munigunda appa of
Davangere in 1888 has also
been included as one of the
lands offered to Government
as security for the loan. But
this appears to have been
done by mistake and Govern-
ment are only entitled to
what can be realised by the
Sale of Mr Nanjunda Rao's
right of redemption. The
notice of sale of this land
was

was for the absolute sale thereof and not the sale merely of the interest of the defaulter. It was therefore cancelled. The sale of this land of land no 22 of Tumbigere and of 35 of Anekanda and of a house at Davangere, all of which belonged to the Coanholder but had been mortgaged by him to different persons on account of debts borrowed from them was also ordered subject of course to the rights of the mortgagees. The account obtained by the sale of survey no 20 of Tumbigere village was only Rs 5/ and that realised from the remaining two numbers together with the house was Rs 11-0-

9. The crops standing on lands no 80 & 87 of Anekanda and on land no 275 of Avergere were also sold separately and

and the sale proceeds thereof amounted to Rs 17: 3: of which Rs 15- 3-11 were from Anekonda lands and the rest from the Anegere land.

10. Thus the total realisation from all the property subjected to sale amounts to Rs 1897-3-11 of which Rs 1715: 3-11 were realised from lands offered as security for the loan, Rs 171-11- from lands the revenues of which were in arrears and Rs 11-11- from other lands. The arrears of Kandayam due both on lands mortgaged to Government and on other lands aggregate Rs 547-5-4. Deducting this from the total amount of sale there remains a balance of Rs 1349-13-8 to be appropriated towards the

the loan.

11. It pains me very much to report that during the outbreak of plague at Damangere in 1899 the loanholder Mr. Narsindarao succumbed to it as well as his wife and two of his sons. A grown up son is left behind and he has given up all rights over property that have now been dealt with as stated above for the satisfaction of arrears due to Government. There is no other means for the recovery of the balance of loan due by the deceased, all the property owned by him having been sold away by auction. Under the circumstances I beg to recommend that Government will be pleased to order the balance of loan being written

written of the accounts.

I have good grounds to expect now that the lands have now been freed from all encumbrances that application will come for them and they will be taken up for fair prices. For the present Government sustains a loss of Rs 395-0 by this transaction. But the circumstances of the case are peculiar and the loss was unavoidable.

12. The entire vernacular records connected with the case are herewith submitted for reference and return.

Sir

Adverting to this office Letter
No 2954 of the 4th May 1901 regarding
the steps taken to realize the advance
of Rs 4,000/ made to the late Nanjunda
Rao of Davangere, I have the honor
to state that no orders having as
yet been received on the recommen-
dation made by my predecessor for
the writing-off of Rs 3,948. 10. 4 due
by the said Nanjunda Rao

on account of the loan of Rs 1,000/- made to him under the Land Improvement Loan Regulation, the amount is shown in the accounts as still outstanding. The Amildar of Davangere has since reported that a sum of Rs 8-14-0 which remained in deposit in favor of Nunjunda Rao has been credited to the Treasury towards his Loan account, thus reducing the balance to Rs 3,939-12-4. I beg to request the favor of early orders being passed for writing off this balance. The interest on the original loan has also to be remitted.

2 Out of Nunjunda Rao's lands bought in for Government, Survey Nos 80* & 93⊗ were applied for this year (Plava 1901-1902) by his son A. Subba Rao and when told by

*. No 80 Dry A-G 15.31. Assessment Rs-a 1-8

⊗ No 93 wet A-G 2.9. Assessment Rs-a 4-0

by auction fetched Rs 100 and 10 respectively, the highest bidder being the said Subba Rao. The Valuation set by my predecessor on these numbers is Rs 315-8-0 and Rs 89. 0. 0 respectively at Rs 20 and 40 the acre. Similarly, Survey No: 55 of Dodda Bathi Village has been offered Rs 116 by one Hanumaiya, while the Valuation was Rs 319-4-0. Applications have also been received for Survey Nos 82, 83, 275 & 276 of Avengere Village, but these lands have not yet been sold. These lands were Valued at Rs 10 per acre by Mr. M.S. Narayana Rao

3 I request Sanction to confirm the Sale of the above mentioned numbers, as the Amildar reports that higher bids are not likely to be received. I make this reference as the orders of Government in regard to the disposal of Vanjimdar Rao's lands with reference to the balance

of

of loan due by him have not yet been communicated to me. Early orders are solicited as the cultivation season is passing away.

4. Nanjunda Rao's account with Government stands as follows: —

Order thereon.

In Govt Pro: no 20675-6 / R 2204 dated 29.5.94, a loan of Rs 14,000 was sanctioned to the late H. Nanjunda Row of Davengere under the Land Improvement Loans' Regulations at 5 % interest per annum for improving the cultivation of certain dry wet and Garden lands belonging to

to him in the village of Arekondee, Thumbigere and Doddaballi. The loan was to be discharged in 20 annual instalments of Rs 321-0-8 × the first instalment falling due on 1st February 1897. In January 1898 Narayanda Rao applied to Govt praying for time being granted to him for payment of the first instalment, till February 1899, owing to failure of crops and want of rains in the preceding two years. His application was granted by Govt on 17.3.98. But the interest of Rs 400 due on the loan from Feb 1896 to February 1898, the whole of the loan payable in February 1899, and the Kandayam on his lands having fallen into arrears, Coercive measures were adopted for their recovery.

On 19.8.99 Nanjunda Rao again petitioned to Govt urging failure of crops and his illness as the causes of his default, and praying for stay of Coercive measures — Order no 2370/K783-99 dated 20.9.99 Govt directed that if the ~~Nanjunda Rao~~ paid up the Khist which fell due and the arrears of Kandayam before the 1st October 1899, his default would be condoned & coercive measures stopped. He ~~afsin~~ failed to comply even with the above order, and was soon after carried off by plague with his wife and two Children. His surviving Son Subba Rao is said to have given up all claims to the lands of his father. The former Depr Comr realized by the sale of some of the lands of the defaulter Rs 598-11-4 and bought in the remaining lands for Govt owing to want of bidders
